

matrix/lib/hardware
-mapping.c

```
graph TD; A[matrix/lib/hardware-mapping.c] --> B[hardware-mapping.h]; B --> C[gpio-bits.h]; C --> D[stdint.h];
```

A vertical flowchart with four rectangular boxes connected by blue arrows pointing downwards. The boxes contain the following text from top to bottom: 'matrix/lib/hardware-mapping.c', 'hardware-mapping.h', 'gpio-bits.h', and 'stdint.h'. The first and last boxes have a gray background, while the middle two are white with black borders.

hardware-mapping.h

gpio-bits.h

stdint.h
